## DAY 1

### Advanced Course

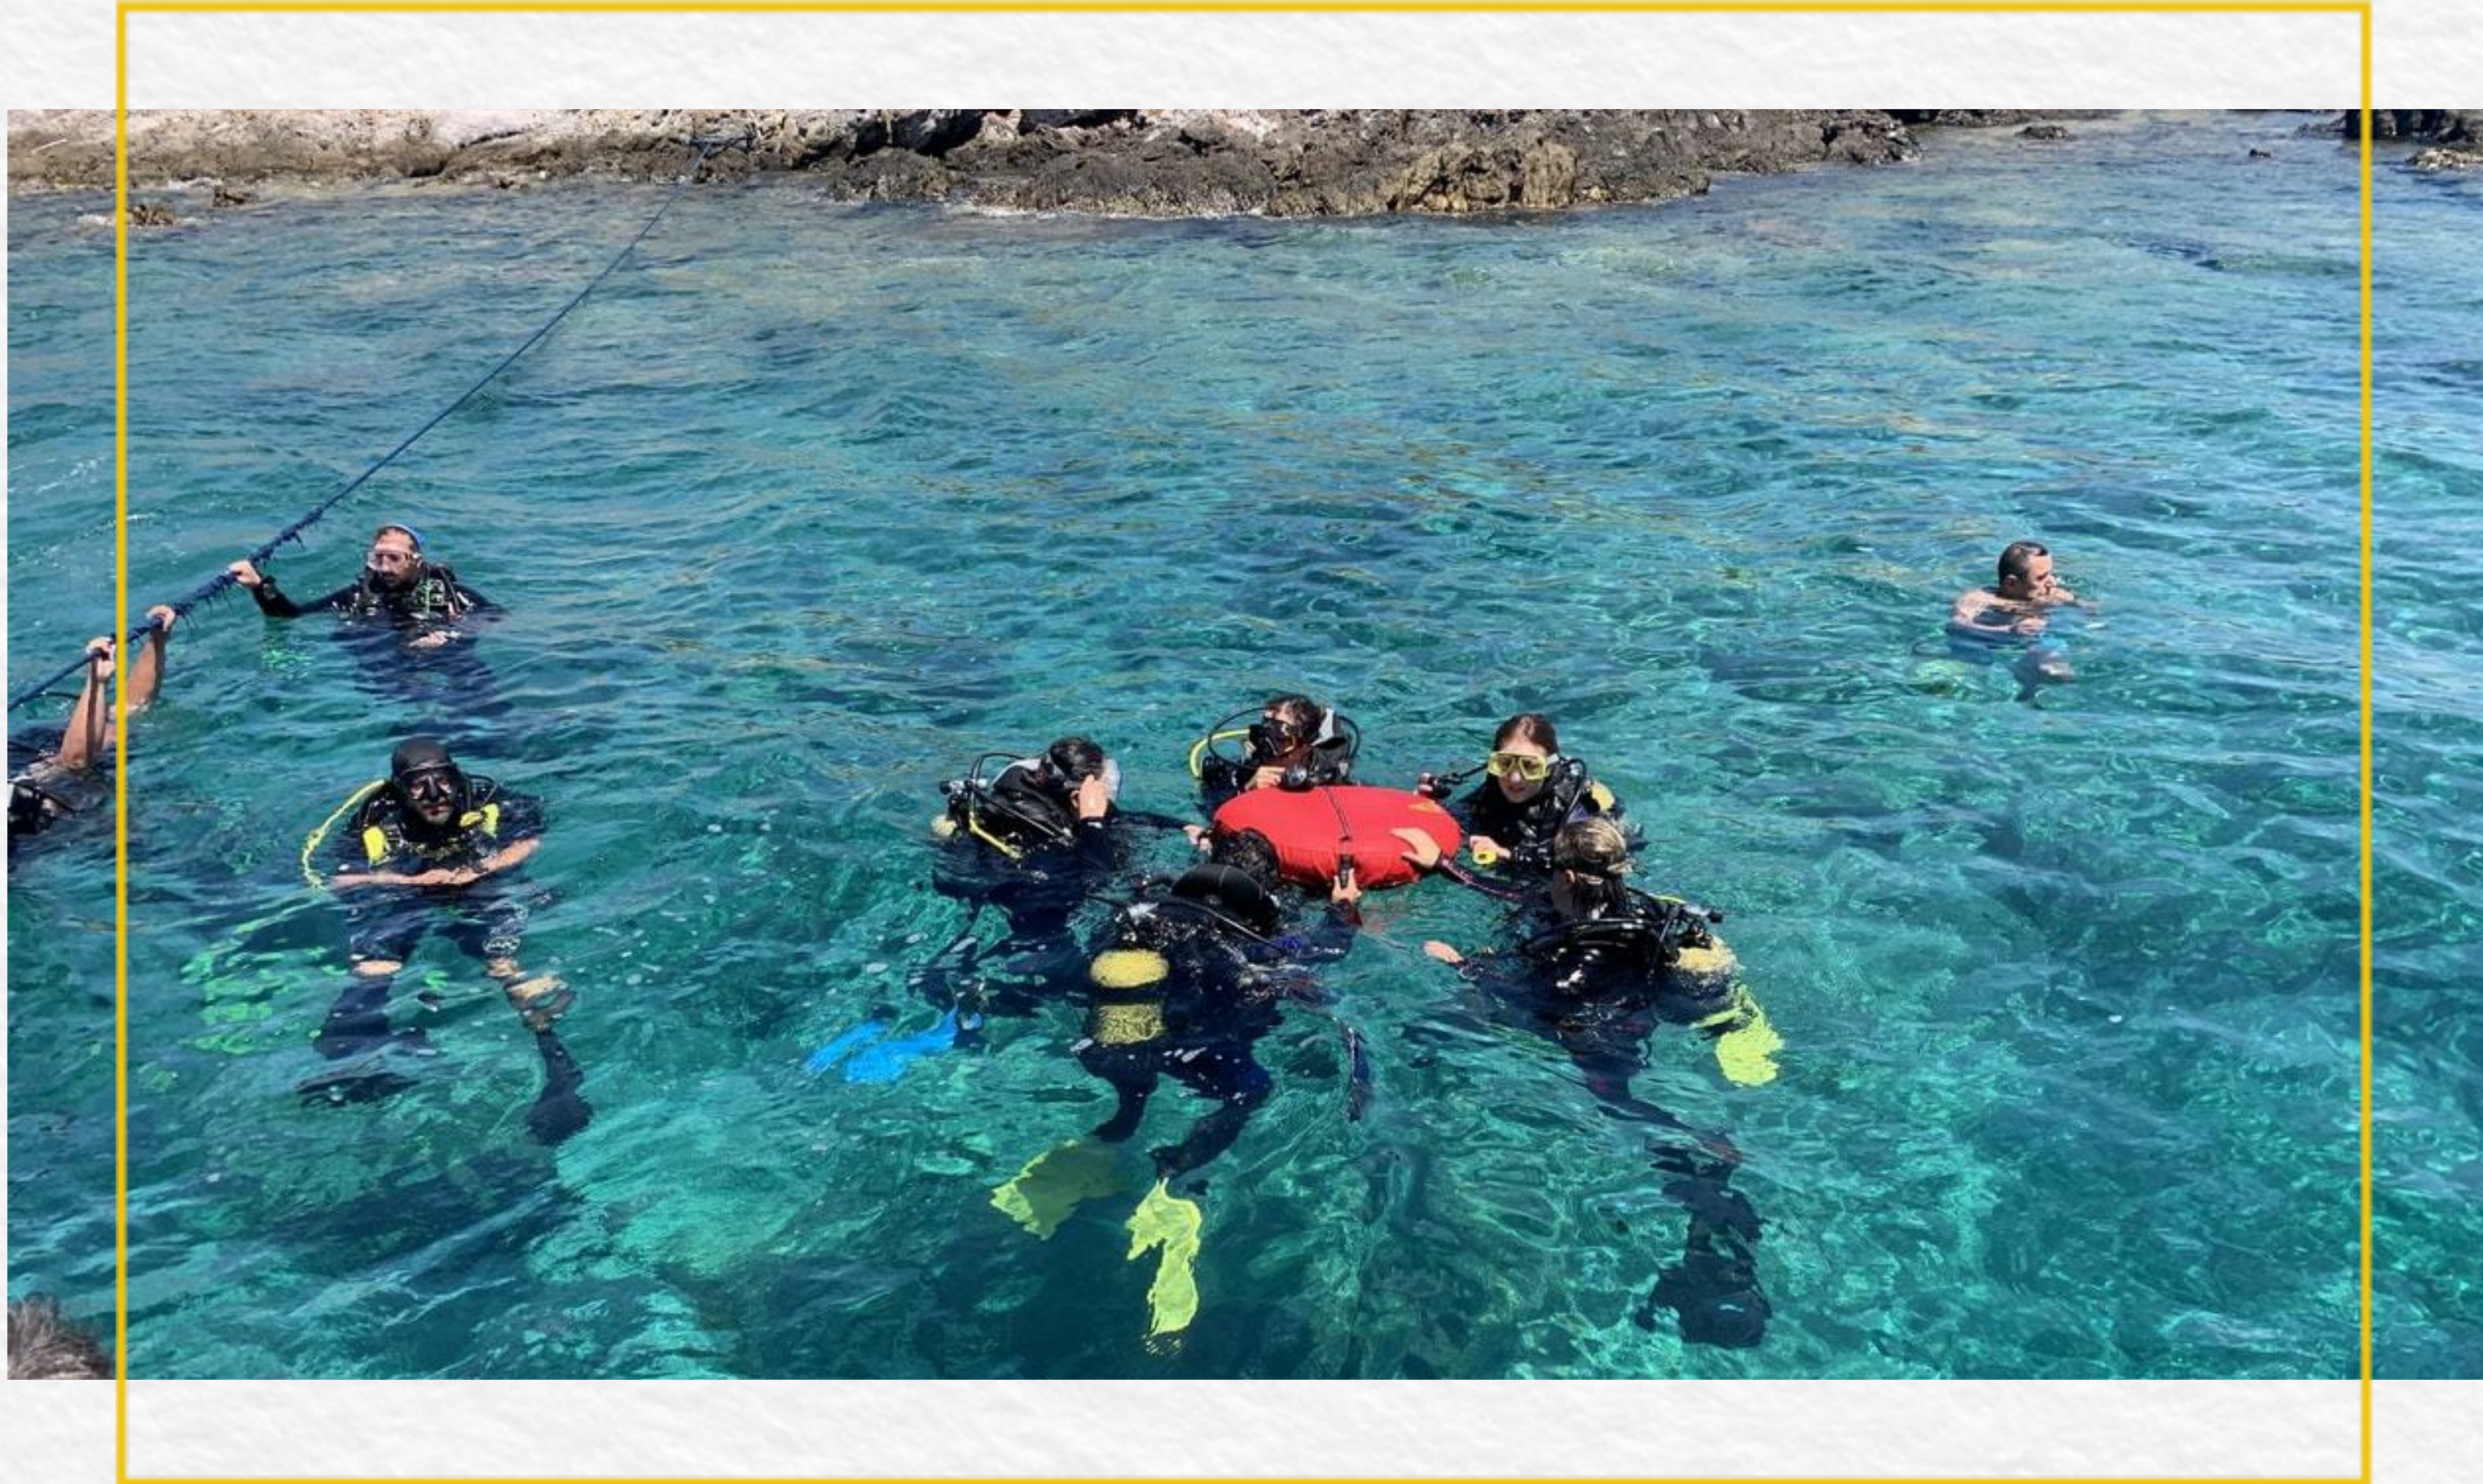

- To get the PADI Advanced Open Water Diver certification, you need to complete 5 adventure dives, including the mandatory underwater navigation dive and deep dive beyond 18 metres / 60 feet. You get to choose the remaining 3 dives from a myriad of options: night dive, wreck dive, peak performance buoyancy dive, digital underwater photography dive, fish identification dive, Dive Against Debris, and many more. The instructor will help choose the right mix based on your interests and your time available on the island. It is possible to finish this course in 2 days, typically when people opt for a night dive as the third dive on one of the days. If you are short on time, you can complete 3 adventure dives to earn the PADI Adventure Diver certification first.
- Later you can do the remaining 2 adventure dives and upgrade to PADI Advanced Open Water Diver anytime and anywhere.
