

TAWANG ROAD TRIP

STARTING ₹31,999/- | 7N/8D

ABOUT THE PLACE

Tawang is an unexplored paradise. Located in the western part of Arunachal Pradesh at a height of about 3050 m above the sea level, the place is both historically and naturally endowed. Because of its remote location, travelling to Tawang is often perceived as difficult to some. But, it is one of the most beautiful places of the north-eastern Himalayas. Surrounded by the Tibet in the northern part, Bhutan in the Southwest and the Sela ranges in the east, the place can boast of the natural beauty of glacial lakes as well as the snow-covered peaks.

Home to the famous Tawang Monastery, this beautiful destination nestled between the Chinese and Bhutanese borders has some of the most scenic lakes and landscapes all around it. Apart from the Tawang Monastery, the four-hundred years old Urgelling Monastery is a great find and so are the Brahmadung Nunnery, fondly referred to as the Anni Gompa by the locals, and the Tawang War Memorial which is dedicated to our soldiers who made the ultimate sacrifice during the Chinese aggression of 1962.
